#### HONEY

Beekeeper Bernie Bieder cancelled his trip to Alaska due to an illness, so he will be at the Pawtuxet Village Farmers Market Saturday from 9-12. Bernie is our most local vendor, raising his honey in Warwick's Governor Francis Farm neighborhood. Bernie also appreciates customers who return honey jars and lids for reuse. Other market vendors will have salad mix, lettuce, spinach, bread, locally made soaps and Asian greens.

#### RIVER WALK

Next Saturday June 5, Steve Stycos will lead a walk from Park View Boulevard to the market along the river. The walk will pass little appreciated Bellefont Pond and tour recently flooded areas of the Pawtuxet River. Kids are welcome and encouraged to smash invasive species. A car pool back to Park View Boulevard will be available.

We will meet at 9:30 AM by the railroad tracks at the end of Park View Boulevard in Cranston. Park View Boulevard runs off Park Avenue opposite the entrance to Roger Williams Park. Call 461-2618 for more information.

#### CRAB WALK

Wenley Ferguson's Stillhouse Cove walk last week attracted more than 50 people wanting to learn more about Cranston's only salt marsh.

See you Saturday at the market.
